

Employment Related Programs for those with Uneven Cognitive Abilities

Our Employer Program

Our employer program helps create awareness and support within companies to make a difference in their communities and also in their business! Once mastered,

adding diversity to your business will bring back more than most employers ever imagined. Our Employer programs are delivered in community workshops and customized for the employer and their staff.

Our Student Program

Our student program helps those who are over 16 years old and are in need of summer or work experience employment while attending secondary or post secondary institutions. – Coming in 2018

Launch into Life Parent Program

Launch into Life was developed by the clinical director of the Ability Hub in Calgary, Dr. Katelyn Lowe, and her team. This informative and hands-on workshop prepares parents and caregivers of children with autism for the transition to adulthood, helping them create an individualized transition plan for their child, and providing valuable information on the following topics:

- * Understanding and preparing for key transitions across the lifespan
- * Managing health and mental health issues in ASD
- * Navigating the change from pediatric to adult health and support care systems
- * Finding the right social and recreational programs in the community for your child
- * Creating a shared vision for your child's future
- * Developing life and vocational skills
- * Exploring volunteer and work opportunities
- * Understanding housing and supportive programming options in adulthood
- * Legal and Financial issues including guardianship and program funding

**Prices may vary depending on location and enrollment. Locations are dependant on interest in that area within BC. Please contact us to find out when we might be in your area with our programs and workshops.*
